STATEMENT OF SUBSTANCE OF THE INTERVIEW

Sir:

Applicant wishes to thank the Examiner for the courtesy extended toward his representative during the telephone conversation of July 17, 2009.

The conversation focused primarily on independent Claim 1 and the primary citation to Ando '486. In particular, it was discussed whether EHT circuit 15 adequately teaches or suggests the display brightness featured value detecting circuit as set forth in Claim 1.

No agreement was reached during the telephone conversation, although the Examiner indicated that he would further consider Applicant's position.

Reconsideration and prompt passage to issue are respectfully requested.

Applicant's undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,
